

Vinyl Noise SFX is a free library of vinyl noise and crackle sound effects created by Matoto aka Chia. The library contains 37 audio samples in total, featuring all sorts of vinyl record noises and crackle sounds.

All vinyl crackle samples included in Vinyl Sample SFX were recorded on a Numark TTUSB turntable connected to Audacity. Records used were innumerable, ranging from 78s from the 1950s to 7"s from the '70s-80s as well as a few modern 12" dance records.

No samples have been EQed, limited, compressed, panned or post-processed in any way. All samples are available in 16-bit WAV format. All recording, editing/cropping, compiling and graphic design done by Chia. Recorded from November 11, 2013 to June 22, 2014.
